

EXECUTIVE CLEMENCY

ELIGIBILITY DETERMINATION

**THIS IS THE INITIAL FORM THAT MUST BE
READ, COMPLETED, AND PROVIDED
TO THE ALASKA BOARD OF PAROLE
TO DETERMINE YOUR ELIGIBILITY FOR
EXECUTIVE CLEMENCY CONSIDERATION**

This must be completed and returned prior to submission of a Clemency Application:

ATTN: Clemency Investigator
Alaska Board of Parole
550 West 7th Ave., Suite # 1800
Anchorage, AK 99501

Prior to the completion of an Executive Clemency Application Form, it is necessary that you be determined to be eligible for executive clemency under the statutes, rules and policies of the State of Alaska. There are many factors which may make you ineligible for executive clemency consideration, or even should you be granted clemency may not result in the relief for which you seek clemency. The clemency policies of the State of Alaska are very strict, the process is lengthy, and clemency is rarely granted.

To have your eligibility for executive clemency determined at the onset of the application process will potentially save you considerable time and effort in completing the application form and gathering the required information/documents should it be determined that you are not even eligible for executive clemency consideration.

Please do not fill out and submit an application for clemency if you are seeking to have your Court record expunged (removed). A grant of clemency will not have any effect on Court records that show a criminal conviction.

Please do not fill out and submit an application for clemency if you still have the opportunity to seek judicial relief to have your conviction overturned or post-judicial relief. If you have exhausted all your judicial remedies, please include a copy of the most recent decision in your case seeking relief.
