1. Superintendents shall consult with the Division Director or designee prior to approving requests by local civic associations, community groups, or citizens for a tour or to participate in an event.
   a. When the request for a tour or to participate in an event comes from a national, international, tribal or statewide organization, the Superintendent shall inform the Commissioner’s Office of the request and consult with the Division Director or designee prior to granting approval.

2. The Superintendent shall determine, in consultation with the Division Director, if and when a tour or event may take place, which areas will be accessible to the visitors, and which special security conditions must be observed for the orderly and safe operation of the institution. The Superintendent may terminate a tour or event at any time for cause.

3. Requests for tours by members of the Alaska Legislature or legislative staff shall be coordinated by the Legislative Liaison or the Commissioner or designee.

8. Cameras and tape recorders may be admitted to the institution only with prior written approval of the Superintendent.

9. Before a prisoner participates in a planned activity that is likely to result in news media coverage, or is interviewed, photographed or filmed by a member of the news media, the prisoner must sign Form 808.02A Release and Permission for News Media Contact (See Policy 808.02 Media Policy).
