

PURCHASING AUTHORITY AFFIDAVIT

In accordance with Departmental Policy 302.14, the Department of Corrections requires procurement authority to be delegated in writing. This document will serve that purpose. A purchasing authority is a responsible person, designated by a department head to *perform* the procurements identified below, and within the specified dollar limits. Each purchasing authority will have a duly executed Purchasing Authority Affidavit on file with the Department Procurement Manager. Only those employees that have a written purchasing delegation on file are authorized to perform departmental procurements. By signature below the purchasing authority certifies that they will comply with all State procurement Statutes and Regulations, the State Administrative Manual, and all related department policies, procedures and directives. Sub-delegations of this authority is not allowed. A zero indicates authority has not been delegated to this individual.
